### (#283) COPELAND TO WIN "DEVON"!

While the Saxons and Angles have yet to make their final move (and decide second place), Rick Copeland has the victory mathematically locked up. Congratulations for a long, well executed victory.

Looking ahead, "Fruch is Missing" could end in a bankruptcy next turn, so we need to seriously think of a replacement. Professor Hanna has graciously volunteered to GM the next 18xx, so let him know your druthers. Personally, I think we're due for another 1870 ("Artemis Gordon"). "Boris XVII" has a four-way draw on the table, so it too could end soon. We have only 3.5 signed up for XVIII. Finally, "William T. Riker" could end on a die roll on Turn 44 which could be any time now. On the other hand, there is a proposal on the table to lengthen the *MACHIAVELLI* game from 15 centers required for victory to 23.

We only need one more to make quora in *BLACKBEARD* and *KINGMAKER*. If interested in filling out the field, let me know your druthers soonest.

#### BORIS'S BULLETIN BOARD

**THOUGHT FOR THE MONTH:** "War is a violent form of business." -- Adrien Venport

There's a new DIP 'zine in town, *Who Do You Trust*, published by Tim Haffey Sr, 810 53rd Ave, Oakland, CA 94601. A sub is \$36 for 12 issues. Mr Haffey is co-editor of *Diplomacy World*. The zine offers two types of DIP, a four-week and a one-week e-mail. Alas! He forgot to include his e-mail address.

*WIZARD'S QUEST*, the tourney I run at the World Boardgaming Championships (WBC), polled in 32nd so made the cut (top 35) to be included in WBC in 2005. Thanks to all of you who voted for it.

Even if you can't make it to WBC, consider joining the Boardgame Players Association (Reference 1) as an associate member (\$10/year) to take advantage of the dozen or so e-mail tournaments it runs. Titles such as *WAR AT SEA*, *AGE OF RENAISSANCE*, *SQUAD LEADER*, *CAESAR: ALESIA*, etc. You'll find me in the AoR tourney and in *GANGSTERS* if it runs.

And if you are going, there are several worthy events presently without GMs that could use your attention. See Reference 2.

#### BOOS & KUDOS

The Madame Bolduc Press Excellence Award (and free issue) is awarded this month to John Buttitta for his campaign ad in *JUNTA*.

This month's Ma Nar Super-Sunday Bomb is lobbed at John Buttitta for delay of zine.

## Peace Proposed! Spring 1987

XVII  
2003F

**MINAS MORGUL:** France has formed the Gibraltar stalemate line and Germany will likely retake STP next time to form the Scand inavian stalemate line. So, if F/G remain allied, there is little chance of westward progress for A/I. So the question is "Which alliance will crack first, or is a negotiated Peace the final outcome?" Inquiring minds want to know. And indeed if it is to be the latter, why not sooner rather than later?

### TROOP MOVEMENTS

## MACHIAVELLI Longer War Proposed! Spring 1519

2003 D

**Ragocott:** The Sultan has made Christendom an astounding wager -- "All or Nothing". Should the Turks conquer more than half of the Board, Christendom must convert to Islam; if a single Christian power can do it, he and all his subjects would convert to Christianity. "Let us see which is the true God, Allah or your Christ!" No comment has been received from the hard-pressed and on-the-lam Pontiff. The French were not amused. The Austrians have tentatively accepted and proposed that the ultimate battle be fought somewhere called Lepanto.

### TROOP MOVEMENTS:

\*A situation not covered in the House Rules has occurred: more than one legion tried to recruit the last gorgon. After giving it some thought, I decided to rule that none of them gets it. It will go to the first legion with a sole claim to it. Centaurs, gargoyles, and ogres are also likely to have this doom upon them soon. So here's the rule in short: "If more legions simultaneously attempt to muster a creature than there are remaining in the Force Pool, none muster it."

### The Bottom Line

This is **BORIS THE SPIDER**, a 'zine dedicated to the play of multiplayer games. BORIS is usually published following the first Friday of the month by Paul & Meg Bolduc, 203 Devon Ct, Ft Walton Beach, FL 32547-3110 and currently has a subscription price of \$10.50 for 12 issues in hardcopy (\$13.25 in Canada, and \$16 overseas) or a token \$1 by e-mail (waived if overseas). A hardcopy sub will also include an e-mail sub. Make checks payable to "Paul Bolduc". BORIS can be reached at (850) 863-9081, or prbolduc@aol.com. If phoning, expect to be greeted by an answering machine. If we're here, not engaged in an epic computer battle or enthralled in baseball, hockey, or college football, and recognize your voice, you may get to talk to a real human, so don't hang up upon hearing our recorded message (it changes every power outage).
